See your classroom bulletin board for specific day.

## SONG & BOOK LIST

### Busy Bee March Songs

#### The Kangaroo (A Finger play)

The kangaroo goes hippity-hop (hop in place)  
Then suddenly comes to a stop. (stand still).  
Snug inside a pocket deep, (rub hand on tummy)  
Baby kangaroo is fast asleep! (rest head on hands)

#### The Little Kite Song

(Sung to Twinkle, Twinkle, Little Star)

Kite, kite, soaring high,  
Reaching, reaching to the sky.  
First you're high, then you're low,  
Swooping, swirling, round you go.  
Kite, kite fine and free,  
Dancing, Dancing, just for me

#### The Leprechaun (A Finger play)

A leprechaun is small and green (use hand to indicate a small person)

He hides where he cannot be seen.

(cover eyes with hands)

But if you catch one on this day,

(shake finger)

He must give his gold away.

(pretend to put gold in pocket)

#### Five Little Shamrocks

One green shamrock, in the morning dew,  
Another one sprouted, and then there were two.  
Two green shamrocks, growing beneath a tree;  
Another one sprouted, and then there were three.  
Three green shamrocks, by the cottage door,  
Another one sprouted, and then there were four.  
Four green shamrocks, near a beehive  
Another one sprouted, and then there were five.  
Five little shamrocks, bright and emerald green  
Think of all the luck these shamrocks will bring.

#### Peter Cottontail

Here comes Peter Cottontail, hopping down  
the bunny trail, hipperty, hoppity Easter's on  
its way, Bringing every girl and boy baskets  
full of Easter joy, things to make your Easter  
bright and gay, there's jelly beans for Tommy  
colored eggs for sister Sue, there's an orchid  
for your mommy and an Easter Bonnet too.  
Oh, here comes Peter Cottontail, hopping  
down the bunny trail, hipperty, hoppity,  
Easter's on its way.

### The Leprechauns are Marching

They're marching through the hall.

They're marching on the ceiling.

They're marching down the wall.

They're marching two by two

And now it's four by four

You say you can not see them?

Look out! Here come some more!

#### Story Time Transition

Sometimes my hands are at my side

Sometimes behind my back they hide

Sometimes my fingers wiggle so

Wiggle fast!

Wiggle Slow!

Sometimes my hands go clap clap!

But now they are resting in my lap

They're as quiet as can be,

Because it's story time, you see.

#### The Bunny

There was a little bunny who lived in the wood

He wiggled his ears like a good bunny should (wiggle fingers)

He hopped by a squirrel, he hopped by a tree, (hop down arm with 2 fingers)

He hopped by a duck and he hopped by me! (Point to yourself)

#### Egg Hunt

Eggs aren't pretty when they're scrambled

Eggs aren't pretty when they're fried.

An egg is only pretty, when it's boiled and dyed!

You dip it into colors so it's one of a kind.

Then you hide it outside for a friend to find.

### Easter Bunny Hops Along (sang to Yankee Doodle)

Easter Bunny hops along, Easter's here again. He's

Painted many colored eggs to give to all his friends.

Easter Bunny hops along, he hides his colored eggs.

Easter Bunny hops along, it's Easter time again.

#### A Bunnyth Ballard

Do your ears stand high?

Do they point up to the sky?

Do you like to paint your eggs?

With some pink and purple dye?

Do you have big feet that hop?

Could you eat a carrot crop?

Do your ears stand high?
