## Songs of the Month - April

### **The Flower** (To the tune of *The Farmer in the Dell*)

The flower has some roots, the flower has some roots.  
The roots will carry food and drink, the flower has some roots.

The flower has a stem, the flower has a stem.  
The stem will make it stand up tall, the flower has a stem.

The flower has some leaves, the flower has some leaves.  
The leaves will catch the rain and sun, the flower has some leaves.

The flower has some petals, the flower has some petals.  
The petals call the birds and bees, the flower has some petals.

### **Rain, Rain Go Away**

Rain, rain go away come again another day.

Little \_\_\_\_\_ (name) wants to play.

Rain, rain go away.

### **Litter** (Tune: *If Your Happy and You Know It*)

If you see a piece of litter pick it up (Yell - PICK IT UP!)

If you see a piece of litter pick it up (PICK IT UP!)

You will make the world look better if you pick up all the litter

If you see a piece of litter pick it up (PICK IT UP)

### **Water**

Water's what we bathe in, water's what we drink

Water keeps plants alive, with out fish it would sink

Water comes from rivers, water comes from rain

And every drop that's wasted is just water down the drain

### **The Rain**

Pitter-patter (wiggle fingers to imitate rain falling)

Falling from the sky

Here is my umbrella (hands over head)

To keep me safe and dry

When the rain is over

And the sun begins to glow (make a large circle with arms)

Little flowers start to bud (cup 2 hands together)

And grow and grow and grow (spread hands apart slowly)
